

## SOLA – 2017 Monterey County, California

Vintage: 100% 2017

Appellation: 100% Monterey County in the Salinas Valley.

Varietals: 97% Pinot Noir, 3% Petite Sirah

Vineyard: We do not disclose specific vineyards as the vineyard owners would refuse to do business with us in the future. The vineyards are located on eastern side of the Salinas River valley. Pacific coastal fog enters the valley from Monterey Bay and follows the Salinas River as it travels down the valley. The rich minerals from the river valley, the western sun exposure of the vineyards and the seasonal fog make for an ideal growing climate. The soil is a mixture of sand and minerals deposited by the river valley.

Cooperage: Primarily stainless steel tanks with the use of lightly toasted French oak staves.

Technical info: PH 3.45 TA 3.5 g/L RS .21 g/L ALC. 13.6%

Release Date: March 2020

UPC: 850440002849

Tasting notes: This pinot noir exhibits that delicate balance of strawberry, raspberry and barn hay with subtle wet earth characteristics. The finish is balanced, fresh and intriguing. Our goal is always to produce varietally correct wines and we think this pinot noir accomplishes that.
